Q: What is the studio doing in light of COVID-19 to keep dancers safe?

A: We have put into place many new procedures that can be found at [StudiobLafayette.com/SafeStudio](https://www.studioblafayette.com/SafeStudio). Our studios are cleaned between each class and common areas are cleaned multiple times throughout our open hours.

Q: What if my dancers misses class due to quarantine?

A: Each class will be emailed a link to access to a private group in the "Band" app. With this app instructors can load periodic videos of class so that dancers can practice at home.
